# Heat Academy

ONGOING

## *About the Event*

We are graduates of the Urban Heat Academy! The Academy is “...build(ing) the capacity of Maricopa County residents so they have the knowledge, resources, and skills to advocate for greener, healthier, and cooler communities. The Academy is offered in Spanish and English, is free of charge, and is open to Maricopa County residents.”

## *Blog Post:*

Unlimited Potential’s most recent urban heat academy project was in the neighborhood of Southern Ave and 1st Street in South Phoenix. We planted 20 trees at 10 homes with the support and guidance of the City of Phoenix Office of Heat Response and Mitigation, Watershed Management Group, Arizona Sustainability Alliance, and over 40 volunteers.
